

ICCEC Missions & Development

MISSIONS & DEVELOPMENT OFFERINGS

All Saints Sunday, November 4, 2018

Each Year we have committed to raise funds to support our churches and people in Africa

CEC Missions & Development Offering seeks to empower local leaders to provide for themselves

We first deal with the crisis by setting aside 20% of funds receive for mercy missions (feeding, hospitalization etc)

Then we provide 80% of the funds for the future by building income producing micro-businesses that will allow the churches in Africa to support themselves, and decide their own future

Consider giving to help those who are helping themselves.
